ADMINISTRATION

*Best wishes
L. A. Melton*

With the passage of years, you may look back upon this school year as the time when the darkness of ignorance suddenly became bright with the gleam of knowledge.

To preserve a record of these moments and the countless other experiences of you and your classmates, this annual strives to capture the "eyes" and "mind" of the scholarship, the leadership, the activities, and the character of John Yeates High School.

As your principal, may I extend to each student, teacher and employee who comprise the school family, my sincere thanks for this outstanding school year; and may I wish each of you the best of everything in the future.

Sincerely,

Lewis A. Melton

CLASS HISTORY

A HISTORY OF THE CLASS OF 1968

The few lines that we record on this page do not in themselves make a complete story. The years we have spent as high school students can best be thought of as one book in the volume of books that compose our lives. For some, this book will represent the happiest and most cherished times of their lives. For others, perhaps, it will represent a time not so happy. In either case, these five years, which now seem to have been but just a passing moment, belong to us, and if ever they are remembered, they should be remembered like this.

We began our high school careers as a class of 101 confused eighth-graders gathered from the surrounding Driver, King's Fork, and Chuckatuck Elementary Schools. As we entered the worn, but beloved halls of CHS, we felt just a little proud to be able to say we were going to high school. That year our leaders were: Mike Riddick, President; Mary Saunders, Vice President; Laurie White, Secretary; and Eddie Willoughby, Treasurer. Mr. Lewis Morris was our Principal, and Mr. Ernst, Miss Minton, Mr. Plaster, and Mr. Boyd were our sponsors. Our year was filled with studying, sweet sales, laughter, ball games, and the experience of learning to fit into our new environment.

With a little more knowledge and a lot more confidence, we became Freshmen in the fall of 1964. Having advanced from the lowest rank to Freshman standing, we were allowed to participate in school sports and organizations. From our class of 108, twenty-three students participated in school clubs and activities, and fourteen played sports. We chose as our officers: Pat Windom, President; Artie Taylor, Vice President; Mary Saunders, Secretary; and Sandra Ashley, Treasurer. Our sponsors were Mrs. Spady, Mrs. Bolt, and Mr. Addison. Mr. Morris left and we welcomed Mr. Melton as our new principal. That year we began to feel the spirit of CHS and we achieved a sense of belonging from the school.

As Sophomores, we left the worn floors and battered walls of Chuckatuck High School and entered the new John Yeates High School. In one summer we were transformed from "Indians" into "Rebels." We could no longer rely on the personality and traditions that had been formed through the years at CHS. We were faced with the challenge of creating a spirit and a personality for John Yeates. Our Sophomore officers were: Artie Taylor, President; Laurie White, Vice President; Ginger Albert, Secretary; and Barbara Rea, Treasurer. Miss Mays, Mrs. Moore, and Mrs. Eason were our sponsors. Out of our class of ninety-four students, thirty-two participated in school organizations and sports. Our class boasted two club officers and three All-Regional Chorus representatives.

The fall of 1966 came and we were Juniors at last! That was busy year for us. Forty-six students from our class of eighty-three belonged to organizations, and twenty-two participated in sports. Our class produced two All-Regional representatives, nine Beta Club members, nine club officers, the co-captains of the cheerleading squad, and one of the co-captains of the basketball squad. We gave a very successful Junior play, "A Pair of Country Kids." We elected Girls' State and Boys' State Representatives, Co-Editors of the annual, and sponsored Presidential candidates for the SCA elections. Our School's first Homecoming was held that year and our float entitled, "Brew Up a Victory," won second place. Steve Van Doren, President; Anne Newman, Vice President; Sandra Ashley, Secretary; and Carol Britt, Treasurer were our officers. Our Junior year ended in the spring of '67, and with pride and enthusiasm we prepared to take our places as the leaders of the school.

On a warm fall day in September, we, some seventy or more twelfth-grade students, entered the front door of John Yeates. As the day grew longer, we were to realize that a high honor and heavy burden had both been placed on our shoulders. We were Seniors! For our final year in high school we chose the following students to lead us: Joey Russell, President; Anne Newman, Vice-President; Linda Saunders, Secretary; and Phil Johnson, Treasurer. Ginger Albert was chosen the Homecoming Queen and the Senior Class float won third place in the Homecoming Parade with a theme of "We're Expecting a Victory." In November, after a long wait, we received our class rings. We had many participants in sports: especially football, which was dominated by Senior members. Some members of our class were elected as leaders of the various fields, such as: organization presidents, periodical editors, and athletic co-captains. From our ranks came six All-Regional chorus representatives and we were especially honored to have two members in the All-Virginia delegation. In February, we left school behind for a day and visited the sites in Richmond. Senior Week was held in May and was spotlighted with many Senior activities. Baccalaureate services were held in the school auditorium on the Sunday before graduation.

On June seventh we received our diplomas; we were no longer Seniors. Behind us were many years of struggle and learning. Before us? We know not what is to become of us. The John Yeates Class of 1968 now becomes a part of a much bigger world.

PROPHECY

Gazing into the future, we, the prophets of the Class of 1968 noticed an interesting scene. The time is October, 1978. The place is Mr. Whitley's office at John Yeates. Mr. Whitley and Mrs. Bolt are busy making plans for homecoming, including a reunion for the Class of '68. We glanced across the room and saw a stack of telegraphs lying on the desk. Looking more closely, we discovered that these messages had been sent by members of the class. REFLECTIONS

I gaze upon the years gone past
Wondering why it was
That the years went by so fast
Which are a part of us.

It seems like only yesterday
Our high school life began
And now each one will go his way,
To do but what he can.

We're all part of a world so vast
That each seems awfully small
It's up to us to try our best
To meet each rise and fall.

In leaving you now Y.H.S.
To go our separate ways
Our minds will fill we now confess
With memories of happy days.

Is that a V for victory or a U for UGH?

My Bonnie Barbara Allen by R. Fish

No more on life's seas will I go sailin',
In hopes of a Love to fine,
No more in the mazes of Life will I go troddin'
For you see I finally found mine.

Her beauty is great,
No one else even rates,
In Life when so many are failing;
I found happiness, with my Bonnie Barbara Allen.
